## Reviews

Sneha Sharma

Amazing place. We tried Devils. It was difficult to Crack, the very first one. But then after that it was quiet good.. very interesting and a lot of fun. Loved it...

Rohan Gupta

This place is awesome... The games and courses are very well thought out. The clues make you think. The ambience is so realistic. We played 'The Asylum'. Yash is very friendly and up the anticipation levels with their intro. All in all great place to spend time with family and friends.
